

Tailgate Ministries

F.I.T Project

We believe that Survival is the name of the game. Survival is for the FIT; right? If you agree then help us help others get FIT.

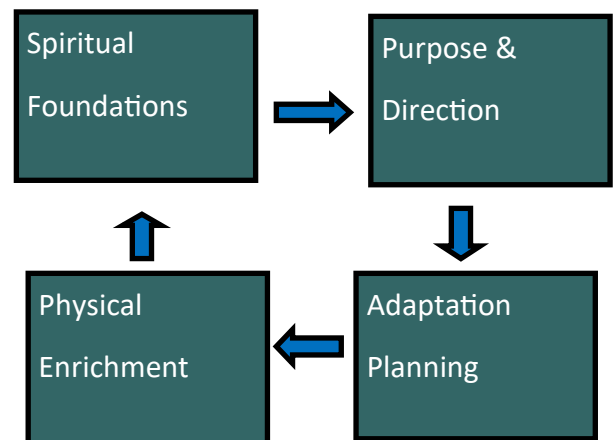

The Mission: It is three fold. We believe in Empowerment!

1. Teach not only to fish but how to catch a fish-the now.: how they eat, sleep, cope today
2. Show them how to clean their fish- the future: how they will eat, sleep, work tomorrow
3. How to store their fish- their future and others: how they will live in the future and help others

The Purpose: FIT (Faithful Intelligent Trained)

To be FIT we focus on 4 quadrants .

We love to see people with purpose, grounded, energetic and with futures.

I love these quotes: "If your not mentally ready you are never really physically prepared.

"See a man as he is and he never becomes more, see him as he could be and he becomes more."
